

### Minutes of the June meeting, 2/6/14.

In attendance were Mr P Jones (Chair), Mrs AE Parry, Mrs L Gillham, Mr R Owen, and Mr J Griffiths (Ynys Mon). There were two apologies, Mrs C Roberts and Mr Arwel Hughes. The minutes of the last meeting were accepted as a true record by Mrs AE Parry and Mr P Jones seconding.

Matters arising-we have been informed that there should be a blooming good show of flowers later on and with that in mind it was decided to ask some local experts to adjudicate. The proposed building of five new houses on Maes Maethlu has met some very strong opposition with an alternative plan for six houses being put forward- the meeting were more than happy to support either plan as long as local residence were happy.

All the correspondence were read and accepted with no objections to the changes proposed to the curtilage at Moranedd. In any other matters Mr P Jones offered a new bench, made by his sons, to the playing field committee-end of meeting, next meeting 7/7/14.
